Growing Split Hinted As North, South Vie For Control Of Democratic Party

ports out of Washington, are rebelling against the "moderate legislative program" sponsored by Senator Lyndon Johnson and Speaker Sam Rayburn.

When these two Texas conservatives argue that their moderation in the 84th Congress enabled the Democrats to retain control in the Senate and House despite the Eisenhower landslide, the Northerners laugh them to silence.

Perhaps the Northerners have good reason. Almost 180 House Democrats and a substantial proportion of Democratic senators have been elected from districts above the Mason-Dixon Line. Most Democratic gains were made outside the South.

Indeed, the Democrats lost two senators in Kentucky and one in West Virginia. These were offset by victories in Pennsylvania, Idaho and Colorado. Had it not been for the Northern successes, the Republicans would have regained control of

Northern Democrats are pressing their fireworks.

Northern Democrats, according to re- argument against the Texans on another score. They contend their party won in the North and West on "liberal platforms, especially with regard to labor and civil

According to their theory, continued Southern domination of Congress would be a case of the tail wagging the dog.

Liberals are in the majority on the advisory committee named by Democratic Chairman Butler to chart a program for the party. To mention a few, there are Adlai Stevenson, former President Truman and Mrs. F. D. Roosevelt.

On the other hand, Southern Democratic views will be voiced by such men as Senator Johnson, Speaker Rayburn and Virginia Governor Battle. In all, there are 20 leading Democrats on the committee.

Whether this group can come up with a program that will heal the growing breach between Democrats of the North and the South is uncertain, even doubtful. What is indicated is an intra-party fight in the 85th Congress which promises plenty of

Food Shortages In Red Slave States Spell Explosive Trouble For Russia

Communist China is the latest slave der czars. Russia is making a desperate state to publicly admit the shortage of food is expected to develop into famine and cause millions of deaths. The situation in China is so grave that the government news agency and Liu Shaochi, second in command under Mao Tsetung, are issuing warnings about the peril.

China has known famine before but not like this one. This time there is a cause that will remain to haunt those who sur-This cause is the refusal of men to raise food crops they are not allowed to enjoy, even for their own families.

Round the world the story is the same. Hungary, once one of the food rich nations, since the Russian Communist occupation has become food poor and even has to import food. Poland, another food rich nation, has become a have not nation under Communism. So has Czechoslovakia, Bulgaria and Romania.

In Soviet Russia itself food production of almost every kind is less than it was uneffort to increase wheat and other grain crop production on new land but the official Moscow reports are not optimistic over the result. Murder of millions of Ukranian and Russian farmers under the Stalin regime is still being felt.

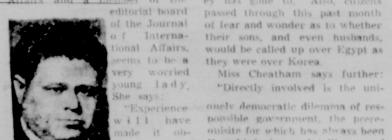

There can be no joy in contemplating the plight of peoples under Communism. Some students believe the recurring good shortages will eventually break the Red regimes from within. Perhaps in the long view this is true but in the meantime the half-hungry or hungry people are irritable and their resentment against the tyrants who are thecause of it all can and often is channeled against free nations.

Every refugee from the slave states likes or dislikes something different in the free world but all, without exception, are amazed at the quantity of food available on the right side of the Iron Curtain.

This food problem may be more explosive than a hydrogen bomb in the slave for Andros' wealthy residents.

"46th Year Selling Quality Furniture For Less" MASONIC HALL - EAST STROUDSBURG

What's it Got that Everyone's After?

WE figured folks would go for the '57 Buick—and big.

But we sure didn't figure this-the most rousing reception we've ever seen in all our years of selling new Buicks.

We're getting more enthusiastic talk along with the signed orders-than ever before. And, neighbor, if you want to know why-listen:

This '57 Buick has that sleek low-sweep styling that today's moderns want-and it's here in extra-long measure, in the lowest Buick yet.

It has the room they want - for Buick's new wide-frame chassis permits a sports-car silhouette with more interior roominess than even last year's spacious Buicks.

It has newness everywhere, and newness that's wanted . . .

A smart new panoramic windshield of vaster dimensions and greater visibility.

The sweet, solid surety of a new "nested" ride. A brilliant new handling and cornering and levelized braking that come of an ingenious new ball-joint suspension. It even has the modern answer for today's driving - a new Safety-Minder* that watches your miles-per-hour for you.

But even more important, this rakish sweep of automobile has a new kind of instant response—and that's the biggest reason for the soaring popularity of the newest Buick yet.

For here is performance—smooth as spun silk - unleashed by a totally new V8 engine 364 cubic inches big, and with the highest compression, torque and horsepower in Buick annals.

And here, to deliver that might, is the

power-pitch action of an advanced new Variable Pitch Dynaflow.* A Dynaflow of such instantaneous obedience, such smooth and versatile control in "Drive"the need for "Low" is virtually ended.

In all truth, you've never bossed a ear so keenly alive, so smooth in motion, so solid in feel. It's ahead of its time, ahead of the industry - even ahead of your great expectations.

Come check up on all this for yourself. Come drive this shoulder-high sweetheart with the strong he-and-she appeal. Come be our guest-today.

*New Advanced Variable Pitch Dynaflow is the only Dunaflow Buick builds today. It is standard on Roadmaster, Super and Century-optional at modest extra cost on the Special. Safety-Minder standard on Roadmaster, optional other Series.

Choraliers Sing For Hospital Aux.

The afternoon was filled with music for members of the General Hospital Auxiliary yesterday afternoon when the Choraliers of East Stroudsburg High School sang at the Christmas meeting at the home of Mrs. George Marsh, Analomink St., East Stroudsburg.

Mrs. Henry Hefele gave two readings: "Men of Good Will" and "Merry Christmas, Mr. Baxter." The Choraliers, which include both the boys' and girls' quartettes of the high school, were under the direction of Miss Ona

They sang together for the opening and closing numbers "Deck the Hall" and "'Twas the Night Before Christmas." boys' quartette sang "Christmas Is Coming" and "God Rest Ye Merry, Gentlemen." The Four Chimes, girls' chorus, sang "In Excelsis Deo" and "Willy, Take Your Drum.

Group carols were directed by Mrs. Henry Kresge with Miss Bess Gardner, pianist.

Mrs. Gilbert Barthold presided at the brief business meeting. A Christmas offering was taken to be used to purchase trees for the hospital, which will be trimmed by the Gray Ladies. Mrs. Manuel Deus was welcomed as a new member. There was an excellent attendance.

Tea was served. Assisting Mrs. Marsh were Mrs. Charles Reid, Mrs. William W. Gorman and Mrs. Nathan Meye

Members of the Choraliers include Anton Prechtel, Jack Wallie, Dick Ashcroft and Jerry Gartner, Joanne Scott, Sara Hostetter, Marilyn Nittel and Ruth Detrick. The next meeting of the auxili-

they fared at the League of Women Voters. Typical of the problems any new organization in Monroe County faces is this one of a meeting date. They selected theirs with due deliberation about six weeks ago. So what happens? Not only 16 other big meetings but the inter-borough basketball game, too.

You think I'm fooling but I still think breakfast meetings are the only answer. Nine a.m. to noon is the only free time there is anymore. Except Thursday morning, which is already taken.

But another new organization, now in the preliminary stage, shouldn't find time a problem. That's the club to be organized this Thursday at 1:30 at the YMCA for women over sixty. The whole purpose of the club is to fill the hours left empty when the family has grown and the busy work of a lifetime is done.

Four walls, which during the hectic years seem wide enough hold the whole world and brother, can squeeze your life and personality into a pretty small compass with nothing to keep them from closing in on you.

More power to both new organizations, if and when they materalize. They both have praiseworthy aims and with the right leadership can contribute mucl to the community.

Buzzard Gains Grid Honors

Stroudsburg Center Cited On AP Scholastic Eleven

LARRY BUZZARD, one of the greatest centers ever to wear the colors of Stroudsburg High School, gained honorable mention on the 1956 Associated Press Pennsylvania All-Scholastic football team.

Buzzard, who has been termed by his coach John Whitehead "as one of the best linemen I ever had the privilege to coach", won the honors on the team which is considered "the dream" of scholastic football on the basis of aggressiveness and deadly tackling during the Mountaineers' past grid

America's Number (1) Road Car! Months ago, Pontiac set its '57 sights on producing an engineering classic—the greatest road car in automotive history! How well did they succeed? One answer is pictured here, the all-new '57 Pontiac' itself, a car so advanced in concept that other new cars merely emphasize its outstanding design, its brilliant array of first-time features! The other answer is the public's response to this road-ruling beauty. From every quarter of the nation has come wave after wave of confirming praise. Praise for Pontiac's styling-its crisp, colorful lines and flowing contours
